RE: Incident has been Reported

This is to inform you that we have received reports of marijuana smoking in your building. While marihuana usage is becoming more pervasive it is still an illegal substance in PA and is still prohibited at Gateway Towers.

It helps us to maintain a pleasant community experience when we can learn as much as possible about an incident such as this one when it takes place. We truly appreciate any input or insights you may be able to provide.

Feel free to contact the Management Office at 215-463-5566. Thank you for your cooperation.

Yours,
