RE: **Sign Online Lease**

This letter is to inform you that we have not received your signed lease for your apartment. Please log onto the Lindy website to sign your new Lindy lease for this year. Also if you have not emailed your renter's insurance policy to the leasing office please find some time to email a copy to the office. We want to thank you for renewing with Enclaves for another year and hope that we continue to give you great service to you and your apartment.

Yours,

Lisa Shuler
