RE: General - Construction notice

Thank you for your patience during the mailbox installation. While we had planned to slip keys under the doors with this being such a pet friendly community we are concerned for the safety of pets that might chew and possibly choke on the envelope with the key slipped under the door.

The keys can be picked up from the leasing office during office hours (9am to 6pm week days, 10am to 6pm Saturday and 12pm to 4pm Sunday). If you do not get home during any of the listed office hours or if you are unable to come to the office please let us know and we will gladly make arrangements to deliver the key to you.

We are now just waiting for the post office to install the postal locks and bring the mail.

Thank you again for your patience!

Yours,

Marva Brown
