**RE: Preventive Maintenance Walk Through**

Dear Residents of Haverford,

Recently, there has been a considerable spike in water usage that usually indicates there are unreported leaks such as running or dripping faucets, running or leaking toilets, etc. There will be mandatory maintenance inspection of plumbing in all units, starting Wed, 7/21 -Thurs, 7/22. Maintenance will be checking each apartment for things such as running toilets, faucet leaks, water stained areas, leaking from kitchen appliances, etc.

This is a mandatory inspection and we must be able access your apartment on the above mentioned date. Also please do crate your dog, if you have any in the unit.

Should you have any questions, Please contact our Management office at 215-878-1895.

Yours,

**Amber Johnson**
