RE: General - Construction notice

We expect to start installing self closing door pins in the apartment doors on **7/24-7/26** at Haverford Court. Please be advised that that you do not need to be present. Maintenance will only need to access the front door hinges for the installation. The pins are a fire safety measure that will allow the apartment door to self close in case of fire, thus preventing the spread of flames, smoke and damage.

If you have any questions, you can contact the Maintenance Office at 215-878-1895. Thank you for your cooperation and we apologize for the inconvenience.

Yours,
Amber Johnson
