RE: Incident has been Reported

We are seeking information about the party at the gazabo last Saturday. If you know the resident or are the resident who hosted this party please contact the leasing office. All information will be kept confidential.

The space near the gazebo is intended for residents to be able to use for small gatherings with friends and family, however if the space is abused and residents are unable to clean up after themselves and their guests we will need to implement a reservation system.

Below is a photo of how the area was left after the party on Saturday. This is disrespectful to everyone who lives at Gateway. Please help us to keep your home clean. Please contact the Management Office at 215-463-5566 with any information.
