

Construction Notification

August 2, 2022

All Residents
Enclaves
3900 Gateway Communities
Philadelphia, PA, 19145

FROM: Marva Brown, Community Director

RE: General - Construction notice

Please disregard the construction notice sent earlier today. The work was scheduled by a third party that did not consider residents working from home who may need more time to rearrange their schedules. I have asked for a week's notice before the start of the construction.

Please know we will do our best to minimize everyone's inconvenience with all construction projects to the greatest extent possible.

Yours,

Marva Brown
