RE: **Sign Online Lease**

Hello Resident,

I am reaching out to you because we have not received your signed renewal offer letter indicating your lease selection. Your lease is scheduled to auto renew for a 12-month term on **August 5, 2023**. As a courtesy, I have attached a copy of the renewal offer that was sent to you. Please circle your selected lease term, sign, and return the attached document before **August 5, 2023**.

Please feel welcome to contact me with any questions or concerns regarding your lease or the lease renewal process.

Yours,

Lisa Shuler
