RE: Incident has been Reported

This is to inform you that we have recently received reports of loud music after 10 pm. This behavior is a nuisance to your neighbors and a lease violation.

It helps us to maintain a pleasant community experience when we can learn as much as possible about incidents such as this one when it takes place. Please contact the leasing office if you know where this noise disturbance is coming from. We truly appreciate any input or insights you may be able to provide.

Thank you for your cooperation.

Yours,

Marva Brown
