RE: Improvement to Mechanicals

The new laundry equipment being installed in your building will unfortunately not work with the your old laundry card. We apologize for any inconvenience this may cause. The good news is, the new equipment does not required cards at all. You may use the equipment by simply creating an account with your Smart Phone. If you chose not to do so you may pick up a new card at the leasing office. Also, please know Caleco will reimburse you for any funds remaining on your old card.

Please see the attached instructions/information for the new machines. Feel welcome to contact the leasing office with any questions or concerns. We hope you enjoy using the equipment.

Yours,

Marva Brown
