RE: General - Construction notice

Dear Residents,

We wanted to inform you that the Environmental Protection Agency (EPA) will be at our property tomorrow morning to spray for invasive plants located along the backside of the fence line.

The spraying will take place between **8:00 AM and 9:00 AM**, and while the process should not take long, we kindly ask that you **and your pets stay indoors for approximately two hours after sprayed** to prevent any possible exposure to spray drift.

We appreciate your understanding and cooperation in ensuring the safety of all our furry friends. If you have any questions or concerns, please feel free to reach out to us.

Thank you for your attention to this matter!

Yours,

Melissa Verdon

Community Director, Gateway Airport Townhomes
