RE: General - Construction notice

Dear Residents,

I wanted to provide you with an important update regarding the ongoing plumbing repairs in the building. Unfortunately, we have encountered some unexpected issues with damaged pipes, which require more time to fix than initially anticipated.

As a result, the water supply to your kitchen will need to remain off for an additional 24 hours while we work to resolve the problem. We understand that this is an inconvenience and sincerely apologize for the disruption.

Our maintenance team is doing everything possible to complete the repairs as quickly as they can, and we will notify you immediately

once the issue has been fully resolved.

We truly appreciate your patience and understanding during this time. Should you have any questions or concerns, please don't hesitate to reach out.

Thank you for your cooperation.

Yours,

Melissa Verdon
