RE: Improvement to Mechanicals

We are working on replacing the front door lock because it is not securing the building. Please be aware the front door will remain locked for a few days until our electrician comes out. Please use the back entrances for the time being.

If you have any questions, you can contact the Maintenance Office at 215-463-5566. Thank you for your cooperation and we apologize for the inconvenience.

Yours,

Melissa Verdon
