RE: **Water Shut-Off**

Currently our plumbers are on site at Sedgwick Gardens to work on resolving the low cold water pressure.

The water will be shut off while they are working to complete this task.

I will notify you when the water is turned back on.

Please **Do Not** leave your faucets open/on. This may cause a flood in your apartment home that could also affect your neighbors.

Please make sure your faucets are in the off position.

We do apologize for any inconvenience this may cause.

We appreciate your patience.

Yours,

Doris Scipio
