RE: Improvement to Mechanicals

We are currently experiencing issues with the boiler at Olney Plaza. LL Heating has been called and are coming to work on repairs today. We expect the units to be fixed today.

Please be aware that the heat will be off while the heating company is working to repair the system. If you have any questions, you can contact the Maintenance Office at 215-329-0605. Thank you for your cooperation and we apologize for the inconvenience.

Yours,
