**RE: Elevator out of commission**

The safety of our residents is always our first concern. Due to the nature of the problem with the elevator, it was safer for us to discontinue operation for today until the proper repair can be made. The contractors are supposed to be out today to fix the lights inside

We apologize for the inconvenience. We will provide further updates as we have more information. Please call the office at 215-276-7555 with any questions or concerns.

Yours,

**Nicole Plafker**
