RE: Security Measures Now in Place

Dear Residents of Gardens of Mt. Airy:

It has come to our attention packages were stolen from Gardens of Mt. Airy's vestibule. If you experience this type of activity, please call the police (911) to make a report of the theft. The police stated because the packages were not the property of the management company, we could not officially make the report. If you do not make a report, no action can be taken by the local authorities.

Below are some suggestions to help you ensure your package reaches you safely.

- Ø - Require signature on delivery to stop package theft
- Ø - Use smart package lockers or have the package sent directly to store for pickup
- Ø - Have packages delivered to your workplace/office

Ø - Reschedule delivery for a day and time you or someone will be home to receive it

Ø - **Place a hold on your package if you will be on vacation/away from home during the time frame the package is schedule for deliver**

Also, please do not prop or leave any common area doors open. If you see suspicious activity, please call the police (911).

Yours,

Doris Scipio
