### **Parking Lot Fire Lane Line Striping**

Dear Residents of Willow Bend:

On Wednesday, December 9<sup>th</sup>, 2020 we will have a contractor on site to perform no parking fire lane line striping in front of buildings A & C.

Please **do not** park your vehicle on the sidewalks or block the entrance way of buildings A & C. We have made many improvements to the community; concrete sidewalks replacement is one of them.

We do not want the sidewalks damaged by oil stains or cracks as a result of vehicles being parked on the sidewalks. The sidewalks cannot withstand the weight of the cars. Again, please **do not** park your vehicle on the sidewalks or block the entrance way of buildings A & C. Please park your vehicles in designated parking spaces only. If the parking lot is full, you must utilize street parking.

Any vehicles that are in the way of the contractors will be towed at the vehicle owner's expense.

If you have any questions or concerns, feel free; contact the business office 215.242.4235.

We apologize for any inconvenience this may cause as we work to improve your home at Willow Bend.

We appreciate your cooperation.

Thank you,

Lindy Management

Yours,

**Doris Scipio**
