### **Electronic Lock**

#### **Installation: A Building**

Dear Residents of Sedgwick Gardens,

The installation of the electronic locks is re-scheduled for tomorrow:

Thursday, December 10th, 2020.

Electronic locks will be installed on the common area doors of the (A) building. The maintenance office will be open at Sedgwick Gardens which is also located in the (A) buildings' basement level from

7:30am to 4:30pm so that you can retrieve your new key and drop of the old one. Once the common area door lock is installed the key that you have in your possession now will be deactivated.

If for any reason you experience an issue, call the office 215-242-4235. A maintenance technician will be able to assist you.

If you have any questions or concerns, please feel free to contact the office at 215-242-4235 or [mtairy@comehometolindy.com](mailto:mtairy@comehometolindy.com).

Thank you for your patience.

Yours,

**Doris Scipio**
