Is the sidewalk totally clear of Snow and Ice?	NO
If not, please explain	Continuing nor'easter snow and sleet mixed through the the afternoon into following day. Cleared the first layer of precipitation to keep it from becoming too deep to plow through. Made at least two passes over every walk and step to clear them.
Other notes	Nor'easter went through Tuesday 2/2/21. On and off mixed precipitation. Reno cleared lots and emergency driveways at least once.
